

From: Samah Ahmed Abdel-Hafez Ahmed

Curriculum Vitae

Personal data

Name : Samah Ahmed Abd El-Hafez Ahmed.
Date of birth : 27\1\1982.
Place of birth : Ismailia Governorate.
Nationality : Egyptian.
Religion : Muslim.
Marital Status : Married.
ID Number : 28201271900326.

Contact Data

Address : 4-Mostafa Kamel St., Elshekh Zaied, Ismailia .
Mobile : +20-012-02407666.
+20-0100-3149423
E-m@il : samavet1@gmail.com

Education Data

- Certificate**
- **Bachelor of veterinary medicine, 2003- Faculty of Veterinary medicine – Suez Canal University.**
 - **Master’s degree in Veterinary sciences in Physiology. April 2015 - Faculty of Veterinary medicine – Suez Canal University.**
 - **Ph.D. degree in Veterinary sciences in Physiology. Feb. 2020 - Faculty of Veterinary medicine - Suez Canal University.**

Work Experience

- **Owner and responsible manager of Samavet clinic Ismailia from 2004 till November 2018.**
- **Owner of Samavet lab. From Jan. 2014 till Nov. 2018.**
- **Researcher at Animal Health Research Institute(AHRI), Egypt from Jan. 2012 till now.**
- **Educate 3rd-grade veterinary medicine students about new and challenging physiology concepts in the online summer course from Jun. 2020 till Sep. 2020**
- **The media spokesperson for AHRI Ismailia lab. From Sept. 2021 till now.**
- **Held workshops to make learning practical and fun, which raised the participation level for graduates and also, resulted in better average grades for the students.**
- **Educate 3rd-grade veterinary medicine students about laboratory biosafety and biosecurity concepts in the summer course from Jun. 2021 till Sep. 2021**
- **Educate 3rd-grade veterinary medicine and science students about laboratory biosecurity concepts and the applications of spectrophotometer in the summer course from Jun. 2022 till Sep. 2022.**
- **Head of Spectrophotometer unit in the Chemistry department in AHRI Ismailia lab. from July 2022 till now.**

Advanced Computer & Language Skills:

ICDL – International Computer Driving Licence.

Computer Skills: -

❖ **Internet, Microsoft Windows, Microsoft Office.**

Languages Skills: -

Arabic : Mother Tongue.

English : Fluent In Reading & Writing.

Pass the TOEFL exam with a score (500).

Germany : Intermediate

Workshops and Certificates:

- ***General chromatography & new technique of the HPTLC.***
- ***Responsible use of animals for scientific purposes and publishing ethics.***
- ***The Newbie OMICs Era.***
- ***New applications of chromatography & HPLC.***
- ***New Era in Biological Sciences.***
- ***SPSS for Windows, version 16, USA***
- ***Oral session titled “Influence of thermally oxidized vegetable oil on growth performance and hepatic gene expression in Broiler chickens: the extent of the protective effect of cinnamon” at the 3rd postgraduate scientific conference “Scientific Research: Challenges, Creations & sustainability. And I won 1st place.***
- ***Biosafety and biosecurity in fish farms.***
- ***Training of trainers- TOT from the American- Canadian board for professional training.***
- ***Oral session in the best applicable research competition in the address “Influence of fresh and thermally oxidized palm oil on growth performance and PPAR-alpha gene expression in broiler chicks” which was held at Suez Canal University and win 2nd place.***
- ***Laboratory Biosafety (ISO 21001: 2018)***
- ***Foundational Biosafety from Bio-Risk reduction company USA.***

- ***Hands-on laboratory diagnosis of viral poultry diseases using PCR. (ISO 21001: 2018)***
- ***The climatic changes effect on the farm animals and its productivity.***
- ***Participating in the Climatic changes workshop with an educational seminar address "Physiological adaptation in wild animals to face the global climatic changes".***

International publishing:

- **Effect of citric and acetic acid water acidification on Broilers performance with respect to Thyroid hormones levels. *(Adv. Anim. Vet. SCI 4 (5), 271-278, 2016).***
- **Influence of Thermally Oxidized Palm Oil on Growth Performance and PPAR- α Gene Expression in Broiler Chickens. *(Egyptian Academic Journal of Biological Sciences. C, Physiology and Molecular Biology 12.1 (2020): 23-37)***
- **The Protective Effect of Cinnamon against Thermally Oxidized Palm Oil in Broiler Chickens. *(Egyptian Academic Journal of Biological Sciences. C, Physiology and Molecular Biology 12.2 (2020): 23-39).***

Soft skills: in (British language & Computer institute)

- Track presentation & Overview.
- Communication skills.
- Technical & Business Writing.
- Problem Solving & Decision making.
- Team Work & Team spirit
- Good verbal and written communication skills
- Leadership
- Time management
- People skills
- Problem solving & troubleshooting
- Critical thinking
- Disciplined
- Ability to handle stress and pressure
- Collaboration

Other Skills:-

- i. Good presenter.
- ii. Active in teamwork.
- iii. Decision maker.
- iv. Preparing for meetings & presentations.
- v. Strong negotiation skills in personal relationships.
- vi. Excellent interpersonal and communication skills.
- vii. I am ready for a full-time job.
- viii. Active and punctual in appointments.
